

SVdP Publications, Video, Internet Consent and Release Agreement

Students/families who attend school at SVdP are occasionally asked to be a part of school and/or Diocesan publicity, publications and/or public relations activities. In order to guarantee student privacy and ensure your agreement for your student to participate, SVdP asks that you sign this form and return it to the school office.

The form referenced below indicates approval for the student's name, picture, art, written work, voice, verbal/written statements or portraits (video or still) to appear in school publicity or Diocesan publications, videos or on the website. For example, pictures and articles about school activities may appear in local newspapers or SVdP/Diocesan publications. These pictures and articles may or may not personally identify the student. The pictures and/or videos may be used by SVdP in subsequent years.

SVdP has no control of media use of pictures/statements which are taken without permission.
